

STARTER KIT CONTENTS

Welcome to the Family PACT Program! This Starter Kit was developed by the Office of Family Planning and is distributed by EDS. The Starter Kit includes a variety of sample materials carefully selected to assist you in implementing the program services and requirements to meet the reproductive health education needs of your clients. Updated versions of materials are always available on the Family PACT Web site at www.familypact.org.

Your Starter Kit includes the following items:

- **Family PACT Starter Kit/Welcome Letter**
- **Online Family PACT Bulletins and Manual Updates Letter**
This includes Web site locations for Family PACT policy and procedure information.
- **Client Education and Counseling Materials Catalog**
This catalog lists over 100 items to choose from, at no cost to Family PACT providers. Materials are available in English, Spanish, Chinese, Korean, Russian, and Vietnamese.
- **Materials Order Form**
Use this form to order client education and counseling material from the EDS warehouse.
- **Sample Superbill**
Use this example to design a “Superbill” for your clinic to assist with claiming all the Family PACT services you provide.
- **Domestic Violence Resources**
Important domestic violence Web sites, organizations and hotlines for providers and clients.
- **Overview of Family PACT Web site**
Introduction to information available on the Family PACT Web site.
- **Tip Sheets**
Use the following “Tip Sheets” to streamline your practice: *Family PACT Referral*, *Tips for Referring and Rendering Providers*, *Sending Family PACT Client Information to the Lab* and *Sending a Family PACT Client to the Pharmacy*.

To access the following printable client education materials on line go to www.familypact.org . Click on the provider tab, and then click on provider enrollment. Materials are located under “Starter Kit Contents”.

- **MoreTip Sheets**
