### What is a Family PACT Regional Provider Forum?

Provider Forums present Family PACT program updates and key program issues. They are especially designed as regional events to address the needs of providers in the county and surrounding areas in which they are held.

**No continuing education is available for this course due to the nature of the content.**

The California Department of Public Health, Office of Family Planning provides these training sessions as a service to enrolled Family PACT providers through a contract (No. 08-85547) with California Family Health Council, Inc.
