

Family PACT Special Interest Training

Special Interest Trainings are offered to Family PACT providers and staff to increase awareness or provide new and updated information on specific topics identified by the California Department of Public Health, Office of Family Planning.

Four Ways to Participate:

1. A few days before the conference, log on to <https://familypact.webex.com> to register online and gain an access code/toll-free phone number. If you need to set up WebEx on your computer for the first time, you should do this **at least 5 days** before the training. Then, on the day of the training, log on by 11:45 and view the presentation on your computer and listen on the phone.
2. For those without access to a computer at session time, log on to <https://familypact.webex.com> within one week prior to the training to download the presentation and get the toll-free phone number to call in. View your printed copy and listen on the phone on the day of the training.
3. For those without access to a computer, fill out the registration panel on this brochure and call **1-877-FAMPACT (1-877-326-7228)** to have materials and a toll-free number sent to you to call in. View your printed copy and listen on the phone on the day of the training.
4. Log on to www.familypact.org after the training date to complete the on-line registration process and gain the access code to watch and listen on-line at your convenience.

Family PACT Special Interest Training

Special Interest Trainings are offered to Family PACT providers and staff to increase awareness or provide new and updated information on specific topics identified by the California Department of Public Health, Office of Family Planning.

Continuing Education

Continuing Education Process:

To receive continuing education units, you must complete an evaluation, post test and a continuing education form at the conclusion of each training. The forms and processing instructions will be available during the presentation.

The California Family Health Council, Inc. is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. The California Family Health Council, Inc. takes responsibility for the content, quality and scientific integrity of this CME activity.

The California Family Health Council, Inc. designates this activity for a maximum of **1.5 AMA PRA Category 1 Credit(s)**[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.

Provider approved by the California Board of Registered Nursing. Provider #CEP12241 for up to **1.8** contact hours earned.

The California Family Health Council, Inc. is designated as a provider of Category 1 continuing education contact hours in health education by the National Commission for Health Education Credentialing, Inc. NCHCEC Provider # CA0046. Health educators attending this program may report up to **1.5** Certified Health Education Specialist (CHES) contact hours.

The California Family Health Council, Inc., provider number PCE3165, is an approved provider of continuing education for MFT and LCSW licensure requirements in California. This course meets the qualifications for **1.5** hours of continuing education credit for MFCCs and/or LCSWs as required by the California Board of Behavioral Sciences.

The California Department of Public Health, Office of Family Planning provides these training sessions as a service to enrolled Family PACT providers through a contract (No. 08-85547) with California Family Health Council, Inc.

Women and Migraine: The Hormonal Link

Presented by: **Norma Jo Waxman, MD**
March 1, 2012 - 12:00 p.m. – 1:30 p.m.

Course Description

This webcast will review migraine headaches, one of the most common and disabling disorders that women experience. Participants will gain a deeper understanding of migraine throughout the reproductive years and recognize the relationship between migraine and the menstrual cycle, which affects many women. Acute and prophylactic pharmacologic management will be discussed; including when the use of hormonal contraception can be a beneficial treatment and when it is contraindicated due to increased risk of stroke.

Objectives

At the conclusion, participants will be able to:

1. Diagnose migraine with and without aura, menstrually related migraine, and true menstrual migraine.
2. Prescribe pharmacologic options for acute and prophylactic management of migraine.
3. Understand when hormonal medication is dangerous, and when it is helpful and safe for women with migraine.

Target Audience:

- Physicians
- Physician Assistants
- Nurse Practitioners
- Certified Nurse Midwives
- Health Educators/Counselors
- Back Office Staff

Registration Form

(duplicate if necessary)
