

## Family PACT Special Interest Training

Special Interest Trainings are offered to Family PACT providers and staff to increase awareness or provide new and updated information on specific topics identified by the California Department of Public Health, Office of Family Planning.

### Registration

To register for this course, complete the registration form and mail or fax it to our office.

### Important

This training is available only to U.S. clinicians authorized to perform medical procedures as evidenced by a State License number of a Medical Education (ME) number. You must be an advanced practice clinician or physician in order to attend. Students may not register for this training. **In order to be included in the database of trained clinicians and approved to order the product, you must attend the entire program. Please arrive on time.**

### Confirmation Letter

You will receive a confirmation letter prior to the start of the training. **If you do not receive a confirmation letter within 1 week of this training, we may not have received your registration.** Contact us! Space is limited.

## Family PACT Special Interest Training

Special Interest Trainings are offered to Family PACT providers and staff to increase awareness or provide new and updated information on specific topics identified by the California Department of Public Health, Office of Family Planning.

### Clinical Training Program for Nexplanon

The Nexplanon clinical training program is a 3-hour comprehensive course designed to provide the education and skills necessary to perform the insertion, localization, removal and re-insertion of Nexplanon (etonogestrel implant). This course will provide a one-hour didactic presentation, followed by preceptored hands-on practice utilizing the Nexplanon insertion applicator and model kit. Additional topics include identifying appropriate patients, patient preparation, managing technical issues and localization techniques.

**REGISTER NOW!**

**Space is limited to the first 50 participants!**

The California Department of Public Health, Office of Family Planning provides these training sessions as a service to enrolled Family PACT providers through a contract (No. 08-85547) with California Family Health Council, Inc.

## Clinical Training Program for Nexplanon

**Presented by: Patty Cason, RN, MS, FNP-BC**

**January 25, 2012 9:30 a.m. – 12:30 p.m.**

### Who should attend?

#### Clinicians:

- ▶ Physicians
- ▶ Physician Assistants
- ▶ Nurse Practitioners
