Wednesday, February 8, 2017
2:00 - 4:30 PM

Department of Health Care Services
1501 Capitol Avenue
Pine Room 71.1203
Sacramento, CA 95814

Background:

The Department of Health Care Services (DHCS), Office of Family Planning (OFP) is committed to effective stakeholder engagement. Together, we can ensure that low income Californians have access to health information, counseling and family planning services to reduce the likelihood of unintended pregnancy and to maintain optimal reproductive health.

DHCS, OFP released a survey in August 2016, soliciting stakeholder feedback regarding ongoing-future family planning stakeholder engagement efforts. The purpose of this engagement session is to share the survey results, engage with stakeholders to identify and integrate best practices for stakeholder engagement, and develop ground rules for future stakeholder meetings.

OFP will be offering three ways to participate in this discussion:

- In person
- By telephone
- Via WebEX

Stay tune for more details to follow.

If you have any questions, please contact us at 916-650-0414 or via email at ProviderServices@dhcs.ca.gov.
